

Appl. No. : **09/971,779**
Filed : **10/04/01**

IN THE SPECIFICATION AND DRAWINGS:

The Examiner has noted several questions of possible typographical errors and inconsistencies between the specification and the drawings of the above referenced application. The Applicant thanks the Examiner for noting these inconsistencies and proposes to clarify these questions in the interview and proposes submitting subsequently a formal amendment, which may include proposed drawing changes, to address these concerns.
